## Parking

We have received a complaint from a local resident regarding parking. We are aware that the main road is a public highway and no reserved resident parking is allocated. But please can we ask that consideration is shown before choosing your parking area.

Can we also ask that vehicles are not parked across driveways and access points on neighboring properties especially during drop off and collection times. Thank you for your cooperation.

## Farewell

Mrs Akerman will be leaving us at the end of this week to return to her former career as a Dental Nurse. We hope you will join us in wishing her all the very best for the future and we would like to thank her for all her hard work over the years. Good Luck and best wishes from us all.
