Snow and School Lunches

As the wintery weather months approach just a reminder/update regarding provision of school lunches.

As our meals are delivered to the school, on days' the weather is severe/snowing we will ask parents to send a packed lunch into school for those children who have school dinners. This will eliminate the risk of closure of the school due to lunches not being able to be delivered to school and having hungry children.

Please don't worry this will not affect closures due to health and safety grounds, if this is necessary a text message will be sent out to parents' at the earliest opportunity on the days affected to inform you the school is closed, as well as being posted on the school closure page of www.calderdale.gov.uk

Term Dates 2019-20
