

Luddendenfoot Academy

Summer term in Y3- Rainforests

Welcome back! We hope you have had an enjoyable holiday!

To support your child at home in literacy you can -

- Ensure they read for a minimum of 10 minutes each night.
- listen to them read.
- Ensure that what they read makes sense to them and discuss their understanding of new words in contexts.
- Identify and discuss themes and conventions in the books they read by making comparisons across books.
- Help them to continue to look at new words, finding them in a dictionary. Ask to see their homework and ensure they have checked it for themselves and corrected their own errors (spelling)

To support your child at home in maths you can help them to –

- read, write, order and compare numbers up to 1000 and determine the value of each digit.
 - Place Value, 10 more and 10 less, 100 more and 100 less.
 - Estimate answers and look at the inverse operation.
 - Solve problems including missing number.
 - Recognise and know the value of different denominations of coins and notes.
 - Recognise fractions and to look to add and subtract.
 - Recognise and draw 2D and 3D shapes.

Homework expectations –

Children will receive spellings every Monday which should be learnt in time for a test on the following Friday. Please ensure your child reads for a minimum of ten minutes every night and completes a comment in their reading record/diary. All children are also expected to log on to the 'Mathletics' interactive maths programme each week.

PE Your child must have outdoor and indoor PE kit, – as some of our PE sessions both on Monday or Friday may be outside. Children should have appropriate PE clothing, including black jogging bottoms or leggings when needed. Trainers are preferable for outdoor use. Shorts and a t-shirt are required for indoor.

If you would like any more information about our learning this term, or think you may be able to support us in some way please let us know. Kind regards, Mrs. Paynter and Mrs Lumb.

Please see our website for our calculation policy and our topic webs which will help you to support your child further.
