

Luddendenfoot Academy

Welcome back! We hope you have had a restful Easter.

During Summer term in Year 6 our topics are Lost Lands and Crime and Punishment

To support your child at home in literacy you can -

- ensure they read for a minimum of 15 minutes each night.
- listen to them read – even in Year 6!
- ensure that what they read makes sense to them and discuss their understanding of new words in contexts.
- help them to continue to practise the high frequency words for Y6.
- ask to see their weekly maths and literacy homework papers and ensure they have checked it for themselves and corrected their own errors.

To support your child at home in maths you can help them to –

- Practise the rapid recall of all times tables.
- Identify the value of each digit in numbers given to 3 decimal places and multiply numbers by 10,100 and 1,000 giving answer up to 3 decimal places.
- Solve problems involving the calculation of percentages (such as 15% of 360).
- Recall and use equivalences between simple fractions, decimals and percentages.
- Use simple formulae in algebra; express missing number problems algebraically.
- Solve problems involving the calculation and conversion of units of measure.

Homework expectations –

Children will receive spellings every Monday which should be learnt in time for a test on Friday. Please ensure your child reads for a minimum of fifteen minutes every night and completes a comment in their reading record/diary. All children are also expected to log on to the 'Mathletics' interactive maths programme each week and play at least 3 games. Y6 children will also be given additional maths and literacy tasks to support their learning and prepare them for the SATs tests.

PE Your child must have outdoor and indoor PE kit, – as some of our PE sessions both on a Tuesday or Friday may be outside. Children should have appropriate PE clothing, including black jogging bottoms or leggings when needed. Trainers are preferable for outdoor use. Shorts and a t-shirt are required for indoor sessions.

If you would like any more information about our learning this term, or think you may be able to support us in some way please let us know. Kind regards Mrs Dickinson and Mrs Harrison.

Please see our website for our calculation policy and our topic webs which will help you to support your child further.
