

Pupil Premium Report for 2017-2018

Overview

The Pupil Premium was introduced in April 2011, and paid by means of a specific grant based on 1 school census figures for pupils registered as eligible for FSM in reception to year 11. For looked after children the Pupil Premium was calculated using the Children Looked After data returns (SSDA903). A premium has also been introduced for children whose parents are currently serving in the armed forces. This service premium is designed to address the emotional and social well-being of these pupils.

The Pupil Premium is additional to main school funding and it will be used by this school to address any underlying inequalities between children eligible by ensuring that funding reaches the pupils who need it most.

Objectives for Pupil Premium

1. The Pupil Premium will be used to provide additional educational support to improve the progress and to raise the standard of achievement for these pupils.
2. The funding will be used to narrow and close the gap between the achievement of these pupils and their peers
3. As far as its powers allow the school will use the additional funding to address any underlying inequalities between children eligible for Pupil Premium and others.
4. We will ensure that the additional funding reaches the pupils who need it most and that it makes a significant impact on their education and lives.

School Policy

The head teacher and governing body have agreed a policy for Pupil Premium to guide the use of funds and to ensure that it represents value for money.

Accountability

The head teacher and leadership team will regularly and rigorously monitor, evaluate and review the strategies we have put in place for pupil premium and report to the governing body on its progress and impact.

Statistics

In school we have a growing number of children who are entitled to pupil premium. As of October 2017 (census) we have 24 children entitled to benefit from the additional funding.

Ever 6 children will be entitled to £1320 for the academic year 2017-2018.

Service children will be entitled to £300 for the academic year 2017-2018.

Pupil Premium Plus Children will be entitled to £1900 for the academic year 2017-2018.

In the current year the school will receive £23530 additional funds.

Barriers to learning

Irregular attendance and punctuality. (On-going road works causes some issues for families using public transport)

Split families and lack of routine in families.

Parents taking holidays in term time due to the increasing costs during school holiday times.

Children travelling a significant distance to school.

Parents working long hours and some shift/night work.

Cramped housing and large families.

Strategies for using the funding.

The school has looked carefully at the needs of each pupil and funding will be used depending on each child's specific needs.

- Provide small group work for pupils entitled to PP funding with an experienced teacher focussed on overcoming gaps in learning to help them make improved progress and to raise their standards of achievement.
- 1:1 support for pupils entitled to PP funds to help them make improved progress and to raise their standards of achievement.

- Additional teaching and learning opportunities for pupils entitled to PP funding provided through trained TAs to help them make improved progress and to raise their standards of achievement.
- Acquire effective materials for pupils entitled to pupil premium funding aimed at raising standards, particularly in reading and mathematics.
- All our work through the PP will be aimed at accelerating progress, moving pupils entitled to PP funding to at least age related expectations.
- Pupil premium resources may also be used to target more able pupils to PP funding to achieve higher than the expected standard.
- Funding will also be used to support families with the well-being of children entitled to pupil premium.
- Ensuring the pupil premium children have the same opportunities for enhancements and extra-curricular activities as our non-pupil premium children.

Impact of Pupil Premium Spending

% of pupils achieving a GLD			% of PP children achieving a GLD	
82% - 24/29 achieved the GLD			66% (2/3)	
1 out of 5 (20%) children not achieving the GLD were PP				
% of pupil passing phonics test			% of PP passing the phonics test	
100%			100%	
Key Stage One				
% of pupils achieving expected standard			% of PP pupils achieving expected standard	
			3 pupils	
Reading			2/3 66%	
Writing			1/3 -33%	
Maths			2/3 66%	
Key Stage Two				
% of pupils achieving expected standard		Average SS	% of PP pupils achieving expected standard	Average SS
Reading	100	112	100 (2/3 exceeding 66%)	109 (pupils nationally 105)
Writing	100		100	
SPAG	95	111	100 (2/3 exceeding 66%)	109 (pupils nationally 106)
Maths	95	111	100	106.5 (pupils nationally 104)

Each child receiving an allocation of pupil premium will be assessed on their individual needs. We strive to ensure all our children have the same opportunities and educational experiences. We will use the additional funding to support these aims.

Pupil Premium comparison – Summer Term 2018

	Reading	Writing	Maths

Year 6 - 3 children	PP-100%ARE 100% progress Working in line with or above NPP	PP-100%ARE 100% progress Working in line with or above NPP	PP-100%ARE 100% progress Working in line with or above NPP

Gap widening between PP and non PP

Gap remains the same between PP and Non PP

Gap narrowing between PP and Non PP

No gap between PP and non PP

PP attainment higher than non PP

Because of the low numbers of PP in each class the percentages are very high for each child. This then makes the data skewed. The rag rating above gives us an overview of where each PP child is working in relation to NPP children. This information can't be taken in isolation to other data.
