Calder High Virtual Opening Evening

Dear Y5/Y6 parents. The link below will take you to a page on Calder High website with a variety of videos outlining the school's vision and values, their curriculum and what students think of life at Calder. In addition, there is a link to our updated prospectus and also the opportunity to participate in a Teams based Q&A session at 6pm on Thursday 22nd October.

PTFA news...

Following our meeting with school last week, we are really pleased to say the Halloween parties will be going ahead this year although in a slightly different format. Each class will be having their own party within their class bubbles. These will take place next Friday afternoon 23rd October and a letter with more information will be coming out via email this week.

We are also looking to hold a BIG quiz and we will be sending out further information on this as well.

ECO Club

The ECO warriors have been set a fact finding mission within school, to gather information that will be used to support the new projects being planned so keep watching this space for news of our new projects.

New to You – Preloved Uniform

We know how fast children grow making replacing uniform an extra expense. We do have a stock of clean, good quality items, so, if you need any uniform to tide you over until the end of term/year. Please let the school know what items and sizes you need and we will check if we have them. All items have been quarantined.

Each week we will be sharing what activities a particular class has been doing, this week – Year 2

This week during Science we have been learning about healthy eating and looking at the Eatwell plate. We then used this learning to design a healthy wrap based on the Eatwell plate, we had to make sure we used foods from 3 of the food groups. We then made one each in class as part of our cooking and nutrition topic in Design Technology
