We know it still may not be easy, but try to reintroduce structure around regular routines, healthy eating and exercise. A good night's sleep is also really important – try to get them back into routines that fit with school or college.

We will again be supporting Halifax homeless & Community Kitchen who are collecting Christmas Hamper items (see above list). They are delivering parcels to those in need in our communities. For anyone wanting to donate, items can be dropped off at school up to and including the December 7<sup>th</sup>. All donations will be greatly received, if you would like to help.

To celebrate the start of the Christmas holidays, Msportactive have designed a physical activity based advent calendar. We will be using the same calendar in school and posting pictures and videos to the stories on Class Dojo. Enjoy!

## ***Each week we will be sharing what activities a particular class has been doing, this week – Y2***

We have been getting ready to design an outfit for an explorer. We have had to carry out different tests to see which material would be suitable for his outfit. This week we carried out a test to see which materials would be waterproof.

**E-safety tip:** Remember that as great as gaming is, there is such a thing as too much fun! Try to limit the amount of time you spend on a screen and stop using a screen half an hour before bed for a good night's sleep. This helps combat screen addiction, sleepless nights and gives you more of that all-important time with family and friends face to face.
