11th November 2020,

Dear Families,

Re: Luddendenfoot Academy Virtual Advent Calendar 2020

I hope this letter finds you all well. Due to the current restrictions, our annual Christmas nativities and performances will not be able to go ahead in the usual format. We are not going to let that deter us though and we hope to celebrate and entertain you with our 'Virtual Advent Calendar' during the month of December. Each school day during December we will be sharing with you a little video of Christmas cheer from Luddendenfoot Academy.

In order to share these videos with you, we will be uploading them to the YouTube video hosting site which is in the public domain. The link to the video will be shared with the school community via our text messaging service but will not be featured in any public search feature of the site. In addition, children's names will not be used in the videos.

If you have already given consent via the Pupil Data Information sheet that your child can have images that can be used on the school website, Blog or school publications then your child will automatically be included in the videos and you **do not** need to return the reply slip. If you **have not previously given permission for your child image to appear** and you wish your child to be in the videos on this occasion then please indicate below. If you **do not want** your child to be in the video then please also return the reply slip below (they will still fully take part in what we are doing- just off camera). **Please return the reply slip the school by Monday 16th November.** Thank you.

If you have any questions or queries please don't hesitate to get in touch.

Kind regards,

Sue Pearce
Music Teacher
