Dear Parent/Carer

RE: NSPCC's *Speak out. Stay safe.* On-line programme

RE: NSPCC's *Speak out. Stay safe.* Online programme

As you are aware, we participated in the **NSPCC's *Speak out. Stay safe.*** On-line programme. This consisted of an online assembly and supporting classroom based activities. *Speak out. Stay safe.* Is a safeguarding programme available to all primary schools in the UK and Channel Islands. It aims to help children understand abuse in all its forms and to recognise the signs of abuse in a child friendly, interactive way. Children are taught to speak out if they are worried, either to a trusted adult or Childline.

Feedback - NSPCC pupil online survey (for pupils in Key Stage 2 in England and Wales, Primary 5-7 in Northern Ireland and Primary 4-7 in Scotland)

The NSPCC would like to gather pupil feedback about the online assembly in order to gauge their understanding about the key messages of speaking out and staying safe.

This will be completely voluntary. If you agree that your child can take part in the survey but your child changes his or her mind on the day that is okay.

Survey returns will be anonymous and confidential. However, if in the process of completing the survey e.g. through something a pupil said, a teacher became concerned for a pupil's welfare we will follow our school's safeguarding procedures.

- ❖ If you would like your child to take part in the survey you do not need to do anything.
- ❖ However, if you **do not** want your child to take part in this survey please reply by Class Dojo.
Stating: NSPCC – I do not consent, please reply by Monday 14th December.

Thank you.

Yours sincerely,

C Greenwood
