Wednesday 5th January 2021

Dear Parents/Carers,

As you will be aware we are now in a national lockdown and school is closed to the majority of children. This means that all learning will now take place online using our learning platform 'Class Dojo'. Please ensure you have registered your email address with Class Dojo and your log on is working. If you have any problems please contact your child's class teacher.

Work will be added to Class Dojo daily. Learning in all classes will focus on reading, literacy, maths and a Science or Topic activity in the afternoon. Lessons will be uploaded from 9.00am and will continue throughout the school day. Please work through the work set at your own pace and in the order that most suits you and your child. When you complete a piece of work please upload it to your child's portfolio on Dojo and your child's teacher will mark it. Please don't worry if you don't complete all the on-line learning, do as much as you are able.

We know that some of you will be feeling apprehensive about home learning during another lockdown but please rest assured that your child's class teacher will be available on Dojo throughout the school day (9.00am-3.00pm Monday-Friday) to help with any problems you may have. Staff may also contact you by phone to 'check in' at points throughout the coming weeks.

If you have any difficulties with online learning please contact your child's class teacher who will work with you to provide a solution.

More information about free school meals will follow as soon as we have it.

Thank you for your continued support at this challenging time.

Yours sincerely,

Mrs R. Denham
