“Be all you can be”

NEWSLETTER – w/c 08.03.21

Welcome back

We hope everyone has now settled back in to school life. It is great to hear the school full of happy voices again.

Due to current Covid guidance/restrictions, how we interact with parent/carers is still limited to dropping off and picking children up at the gate. This does not mean you cannot discuss any matters you may have, this can be done either by calling the school on 01422 882298 or email

admin@luddendenfoot.calderdale.sch.uk

If you are invited to come in to school visitors will be required to follow our Covid procedures and wear a face covering whilst on site.

At this point please can we remind everyone that face coverings should be worn when dropping off & collecting children to help keep us all safe!

Thank you for your co-operation

IMPORTANT NOTICE – Re: Parking safety

Polite reminder, please be considerate to local residents when dropping off/collecting children from school. By not parking where it may cause an obstruction or access difficulties for residents and other drivers. Especially near the junction for Tenterfields. Thank you for your anticipated co-operation.

Wellbeing Tip: Increase resilience– here are some tips to help with building resilience:

Share- Don't keep things bottled up. Talk about your feelings with friends, family and staff in school.

Balance studying with other activities– take parts in clubs, follow your passions and keep up with hobbies.

Accept who you are– you are unique, don't compare yourself to other people.

MIRROR Honour Awards 12.03.21

	<i>Pupil</i>	<i>For Characteristic trait</i>
Rec	Ella B	Resilience

Y6	Jessica L	Resilience

Dates so far...

Please keep checking for updates

March

19th March: Comic Relief Day Non-Uniform
Easter Raffle – more info to follow from PTFA

Communication with Parents/Carers

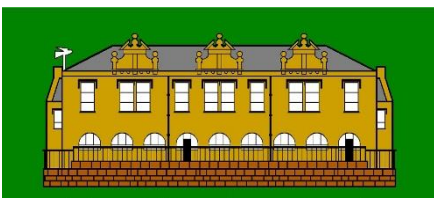

Dojo will continue to be used as a communication platform so will be used to share information/letters. Information & letters will also be shared via email, so please let us know of any changes to email addresses.

E-safety tip: inappropriate content, and control purchases within apps. You can install control software on your child's and family's phones or tablets, games consoles, laptops and your home internet.

- Plan what time of day your child can go online and how long for
- Create content filters to block apps that may have inappropriate content
- Manage the content different family members can see

SBCI Cricket Club

The Astleys, Blackwall Lane, Sowerby Bridge, HX6 2UB

Is your child wanting to get into/ get back into cricket in 2021?

SBCI CC is a friendly and family based club in Sowerby Bridge that runs junior teams from Under 9's to Under 15's.

We also run a 'Dynamos' and 'All Stars' programmes for children as young as 5.

We are looking for new players to join our club for the forthcoming season.

Outdoor training sessions will take place from Friday 16th April up at the club between 6:00 and 7:00pm until the end of July.

If interested and for further details, please contact Dave Brown on 07837 295425

E-mail sbcicricketclub@gmail.com

Twitter@SBCI_CC

ECO Bricks

We now have enough ECO bricks. Thank you to all those who have spent time creating the bottles, but for now until our next project. We DO NOT need any more bricks. Thank you.

New to You – Preloved Uniform

We do have stock of clean, good quality items, so, if you need any uniform to tide you over until the end of term/year. Please call the school office to check availability of items/sizes. All items have been quarantined.

**Comic Relief Day –
FRIDAY 19TH MARCH**

**Non uniform for
£1.00 donation**

JUMPING CLAY – VIRTUAL ASC

Starting Monday 15th March lasting for 3 weeks. This term the theme will be Spring Workshop – Children will make 3 spring animals and bunting Bunny/Chick & Sheep. Children's container will be dropped off at school each week with all materials they will need, and a link will be emailed to access the YouTube channel, so models can be made at home. Cost of workshop is £12. An email was sent out earlier this week with a booking form and payment details. If you need a hard copy, please call school. Thanks

School Meals – polite reminder

Please can dinner money be paid weekly or termly basis via ParentPay. If any debts are incurred you will be asked to provide your child with a packed meal from home until this is cleared. Thank you.

“Be all you can be”

NHS Test and Trace announced earlier this week, that all adults in households with school and college age children without symptoms can now access regular rapid coronavirus (COVID-19) testing.

Test kits can either be collected or ordered online, as set out below. You should not give test kits to parents, carers or household members and should not order more test kits for this purpose. Secondary school and college students will continue to access testing through their school or college.

Undertaking regular, rapid coronavirus (COVID-19) testing helps reduce transmission of the virus. Parents and other adults in households with children at school or college, who do not have symptoms, can now access regular, rapid coronavirus (COVID-19) testing. This includes childcare and support bubbles.

Tests are fast, easy and completely free. There are [different ways](#) for a household, childcare or support bubble to collect their test to take at home, twice-weekly:

- through your employer, if they offer testing to employees
- by collecting a home test kit from a local test site – anyone aged 18 or over can collect 2 packs of 7 tests
- by ordering a home test kit online – please do not order online if you can access testing through other routes, this frees up home delivery for those who need it most

If you have any queries about the tests, and you live in England, please call 119 (free from mobiles and landlines). Lines are open every day from 7am to 11pm.

Children of primary school age (and below) without symptoms are not being asked to take a test.

Testing is voluntary, but strongly recommended to all who are eligible. Alongside the vaccine, washing hands, wearing face coverings, and maintaining social distancing, rapid testing plays a vital role in reducing transmission rates. Getting into the habit of regular testing as part of our everyday lives will help us all to play our part and do what we can to protect each other.
