## The Junior News April 2021 issue 1

### Welcome

Hello, this is the Junior News! Our names are Colette and Noah and this is the newspaper by kids for kids. This short little newspaper will be your place for fun facts, games and more! We hope you enjoy reading it and having a lot fun!

### Riddle:

It belongs to you  
but your friends use  
it more. What is it?

Answer: your name.

### Suggested game of the month.

Bridge tig. This game is just like an ordinary tig game but when you are tug you must make yourself a bridge and to be released someone must go under your bridge.

### Dojo point ideas.

When you are walking around the school you may see some dojo shop posters. Just to make it clear these are not finalized ideas and you can still tell your teachers or school councilors your ideas.

### Interview with head boy and girl.

Earlier this month we interviewed year 6 pupils James and Hebe (this schools head boy and girl). Since they will be leaving this year we decided to ask them a few questions about their time at Luddendenfoot Academy. The first question was how did they feel when they were elected? James answered shocked and proud as he didn't think he would make and he's glad that he can make some great decisions for the school. The second question was what was your funniest moment at this school? Hebe answered when her friend tipped a bucket of water over her head in reception!
