Covid procedures – reminder

Please can we remind everyone that whilst some restrictions have been lifted it is still important that we follow the school's procedures which have not changed. As cases of the new variant are now in Calderdale although not to the same extent as some other northern areas. So, please continue to social distance when dropping off & collecting children and with the wearing of face coverings and please do not congregate at the gate. Thank you for your continued co-operation.

Parking reminder:

For the safety of all children and parents, please do not park on the pavement near the bottom gate. Some of our parents have reported that they had been forced to walk on to the road with their children. Thank you for your anticipated co-operation.

Year 5 – publication

Each Year we enter the Young Writer's competition in which children are tasked with creating various types of writing to be published in a collection of stories. This year's theme was 'A wander in the woods'. I just wanted to take this opportunity to say congratulations to the Year 5 children on being chosen for the book.

Despite being a competition that we enter yearly this is the first year that a whole class has been chosen to have their works published!!

The last competition we entered published 5 children's work - this time all 21 children's work was selected to be published! (Pending parental permission) and we wanted to make sure to say WELL DONE Year 5! 🙌🙌🙌🙌🙌

Y6 – what's been going on this week...

This week Y6 have been investigating micro-organisms looking at **'What does yeast like to eat the most?'** To help them find the answers they've been busy carrying out different experiments.
