Next week we will be celebrating Diversity week. Over the week, the children will take part in a number of activities linked to our PSHE curriculum and the diverse community we live in. All activities will be age appropriate and focused on acknowledging and celebrating different types of families. I hope you will all join us in celebrating our diverse society.

### Water bottles & Sun protection

As the weather improves, reminder all children need to have a water bottle and sun hat in school at all times. Sun protection should also be applied to children at home before school when necessary. Thank you.
