**Covid 19 update**

A reminder that we are very much still in a global pandemic and although some restrictions have been lifted, the number of Covid cases have continued to rise this week in Calderdale and surrounding areas. If your child or a household member is displaying any Covid symptoms, please **DO NOT** send your child into school and get them tested as soon as possible. We want all bubbles to remain open so that pupils can continue to learn in the best environment.

**Please do your part to keep everyone safe.**
